

***History Makers* Nomination Form**
McLean County Museum of History

The Museum's annual *History Makers* Gala seeks to honor individuals or couples for their lives, their work and their contributions that made our community a better place for everyone. We are now accepting nominations for next year's honorees.

Nominees must meet the following criteria:

- Be at least 70 years of age
- Have spent significant years in McLean County
- Be able to share their stories with the community

Nominees do not have to be wealthy, prominent or easily recognized. They do need to have a significant story to tell: perhaps it is one of service to their country and community; maybe it is a successful career, whether in a trade, business, profession or social service; or maybe their family together has left a lasting legacy for McLean County.

Here are some basic facts and statements that can help the Museum consider the nomination; please feel free to write these here or submit them separately as an electronic document.
