

Learn about downtown Bloomington's rich history through its buildings.

Look for the QR codes that have
been placed in the windows of
historically significant buildings
around downtown.

Have fun!

QR Codes

Quick Response codes are a type of barcode (pictured above) that can be scanned by smart phones. The codes link to webpage about each building.

Download a QR code reader by going to your app store and searching for "QR code reader." There are several free options.
